LEXZUR

CENTRA

Agile AI-Powered Contract Lifecycle Management and Document Automation Software

Everything you need to automate and manage documents—all in one workspace.

© Lexzur 2025

CONTRA

LEXZUR

AI-Powered Contract Lifecycle & Document Automation

DOCUMENT DATABASE

Easily search contracts by keyword or tag, and gain instant clarity with AI — reviewing clauses, analyzing risks, ensuring compliance, and uncovering key insights in seconds.

APPROVAL CENTRES

Set a defined approval center with roles and permissions to define who can grant approvals

AUTOMATE CONTRACTS

Create your contracts from your own templates in different languages by automating fields. Use AI to draft, analyze, and execute contracts with ease

NEGOTIATE & REDLINE

Contra allows users to edit and collaborate on contracts in real-time

MINIMIZE ERRORS

Utilize fixed contract renewals, automated reminders, contract history and more to reduce manual errors

DIGITIZE SIGNATURES

Contra integrates with DocuSign and other electronic signature platforms, providing flexible options for secure contract execution

Some of our Success Stories

Dubai Police

Government

United Arab Emirates

Dubai Police's Procurement and Warehousing Department transformed its contract management process with Lexzur's Contra solution. By digitizing over 5,000 contracts, the department drastically reduced contract creation time by 65%, cutting it from 24 hours to just 3 minutes. Streamlined workflows and automation improved operational efficiency, reducing costs by 40% while boosting productivity by 75%. With secure digital signatures and centralized tracking, the department achieved 100% compliance and elevated its overall operational standards.

"The measurable improvements in time, cost, and compliance have allowed us to better serve our suppliers and meet operational goals efficiently."

Banque Misr

Banking and Finance

United Arab Emirates

Banque Misr UAE revolutionized its procurement processes with Lexzur's CLM and document automation solution. The procurement team digitized workflows, centralized contract storage, and automated document generation for greater efficiency.
With Lexzur, the time spent managing contracts was reduced by 65%, while enhanced tracking and secure management ensured compliance with procurement standards, streamlining decision-making and enabling a focus on strategic goals.

"Lexzur has transformed how we manage contracts and requests by ensuring seamless tracking and automation. It's user-friendly, highly efficient, and guarantees that no detail is overlooked, making it an essential part of our operations."

DAMAC Properties

Real Estate Development

United Arab Emirates

DAMAC Properties transformed its procurement operations with Lexzur's Contra solution. The team achieved a 65% reduction in contract creation time, cutting it from hours to minutes, and reduced operational costs by 45%. Automation, streamlined workflows, and enhanced compliance improved overall efficiency and vendor collaboration.

"Contra by Lexzur has redefined our procurement processes, delivering remarkable time and cost savings with improved compliance."
